This training is a unique and exciting professional development opportunity designed for current senior-level leaders from juvenile and adult probation departments, adult and juvenile institutions, parole, and jail staff from sheriff's offices.

— LEADER WITHIN —

DEVELOPING AND TRANSFORMING SENIOR LEADERS

The Correctional Management Institute of Texas is pleased to offer **Leader Within – Developing and Transforming Senior Leaders**. This new virtual program is an exciting opportunity for senior leaders within criminal justice agencies to further develop their leadership skills and to prepare for leadership at the executive level. **Registration is only \$390! Apply online at www.cmitonline.org.**

We are currently accepting applications for this experiential program, **which will be limited to 15 participants**. The class is intended for individuals who are currently in the role of senior leadership. **Please review the class description, dates, and the time commitments before applying. Participants must be able to complete all portions of the program.**

Learning Objectives

- To gain new knowledge in support of leadership development
- To gain new insight into personal strengths and opportunities for development
- To apply knowledge and insight to current leadership challenges and opportunities
- To develop a peer support network for future leadership development and application
